

Everybody can be great.
Because anybody can
serve. You don't have to
have a college degree to
serve. You don't have to
make your subject and your
verb agree to serve.... You
don't have to know the
second theory of
thermodynamics in physics
to serve. You only need a
heart full of grace. A soul
generated by love.

A Part of the Action

A councils & committees are consultative bodies which advise the pastor. Councils & committees work with the pastor and his staff to assess the needs of parishioners and propose plans for the parish.

A member of a council or committee will actively seek information from the pastor, the parish staff and the parish regarding the pastoral needs of the parish community. They advise the pastor in integrating the parish's goals & priorities into an ongoing pastoral plan and recommend flexible strategies which support the parish's goals and priorities.

Members are fully initiated Catholics who are active in parish life and are in good standing with the Church. They are skilled in group process, interpersonal communication and collaboration.

If you would like to join any council or committee, please attend their next meeting. A complete listing of committees & their contact person may be found to the right. A listing of contact person may be found online at www.protopage.com/st_john

As always, anyone involved in a council or committee must participate in the Safe Environment Program, which consists of attending a Protecting God's Children workshop, online database and various background clearances.

If you have any questions or would like to volunteer for any ministry, please don't hesitate to call the church office during office hours @ 724/287-7590 or email anytime stjohnchurch@zoominternet.net
